# "Unconditional Like" Cocktails

**FEBRUARY 2024**

**With Love & Carnival in the air, we present you with a tribute to our staff's adorable fuzzy partners who, no matter what, will at least always like us unconditionally.**

**We hope to garner the same kind of relationship with all of you lovely guests enjoying these delicious cocktails, instead of kibble. Unless, of course, you want kibble.**

\$16

## *Maisie*

Much like this drink's namesake, it appears innocent. Inviting even. Just look at that mint. The combination of Laird's Bonded Apple Brandy, along with Overproof Rum, Ancho Reyes Chili Liqueur, House Made Pepita Orgeat, all topped off with Fluffy OJ make for a drink that you won't even see coming.

Much like it's alpha predator namesake.

~ Brian ~

\$15

## *Iroh & Toph*

This cocktail is the Avatar of its adorable namesakes. Built on a foundation of our single barrel of Maestro Dobel tequila, Toph's sweet, earthy demeanor shines in the botanical Cocchi Americano as well as the agave. Iroh's bright, demanding, & warm (or sometimes picant) energy is channeled into the fresh lime juice, as well as the 'thai herbal tea' (ancho chili, makrut leaves, lemongrass) mixed in the agave syrup. Brother & sister are brought into balance with a few drops of paprika oil to finish.

~ Alex ~

\$15

## *Porter*

Porter the Wonderpup is old but playful, much like this old fashioned riff. Porter is 12 years old & sweet but exquisite, much like the 12 Year El Dorado base. We then add some Peanut Butter Porter syrup (Porter's favorite treat & namesake), some Angostura & Peychaud's bitters round out this mutt's backstory.

~ Morgan ~

**\$16**

## *Lady Violet*

This elegant sipper has a touch of literalness to it with the Butterfly Pea Flower infused Iwai 45 Japanese Whiskey added to a combination of Cocchi Americano, Giffard Pineapple, & Nixta Elote Liqueur. We finish it off with Smoke & Salt Bitters because sometimes even Lady Violet can need a little tempering.

~ Sir Christopher ~

**\$15**

## *Stanley*

**What do you do when you have a 16lb cat that acts like he's never been fed before? You put him on a diet. In honor of that diet & in solidarity with sweet ol' Stan-man himself, you have Turmeric Infused Stoli along with Barrow's Intense Ginger that evokes "health" with every sip. You'll also get some Fino Sherry & Hellfire Bitters as a nod to Stanley's nutty & spicy personality, finishing it off with some Lime Acid Water & Simple Syrup. Served Room Temp because why water down all that greatness?**

**~ Claire ~**

\$15

## *Hyperbole!*

Rarely has any creature lived up to their name quite as well as Hyperbole!, a 23lb tornado of chaos & cuddles.

Hyperbole! Somehow manages to be 100% of all of the things that inspired this cocktail – Vida Mezcal (alluring & nuanced), Genepy (complex), lime (assertive), MSG solution (sometimes she's so salty!), Tiki Coconut / Pineapple bitters (nutty but with a touch of sweetness), & fluffy OJ (so orange & so fluffy). Served with an orange mohawk to celebrate Hyperbole!'s summer haircut.

~ Morgan ~
